For everyone

For everyone

What we offer

Our goal is to make it simple and affordable for audiologists and hearing care professionals to buy competitively priced products.

As a trusted NHS supplier, we specialise in the supply of high-quality consumables and accessories for the NHS Supply Chain contract, covering all audiometry, tympanometry, OAE, ABR, hearing aid fitting and balance requirements.

Purchasing audiological consumables through the NHS Supply Chain portal offers reduced administration time, faster delivery schedules and a standardise ordering process.

As part of the Demant Group, our wide range of products are manufactured to the highest quality, ensuring organisations minimise the risk of infection and optimise the performance of equipment and workflows. Our consumables are designed to be compatible with all leading audiology equipment manufacturers:

Interacoustics | Grason Stadler (GSI) | Madsen/Natus | MAICO | Otodynamics | MedRx
